Advocacy Actions 2024-2025

CSO Meter country partners have identified several avenues for reforms to improve the civil society environment in the Eastern Partnership region.

How can these reforms be driven forward?

Discover the impactful advocacy actions CSO Meter Hub members are undertaking to push for targeted improvements.

ARMENIA

Transparency International Anticorruption Center

Increasing legal avenues for public participation in the early stages of policy making and in the Parliament.

ARMENIA

Law Development & Protection Foundation

Expanding the Actio Popularis principle to allow CSOs to represent public interest in court.

MOLDOVA

Promo-LEX Association

Facilitating a platform for open dialogue on digital rights between businesses, CSOs and the state.

UKRAINE

Ukrainian Center for Independent Political Research

Identifying gaps in law and practice, proposing recommendations to facilitate imports of humanitarian aid.
